

Rising 6th Grade FMS Parents,

I want to welcome all of you to the Farragut Middle School Family. FMS is the best middle school in Knox County and one of the top middle schools in the state of Tennessee. We are very excited to have your children join our family. This year's welcome will be similar to our procedure last year due to our inability to interact in person, conduct student visits, and our traditional parent nights. However, we are working to plan some events to help make your and your child's transition more comfortable. A valuable informational link just for you, our rising 6th grade family, can be found on our website. Simply visit the FMS website and go to the link labeled "[Rising 6th Grade Information](#)", you will find many resources to support you during the transition to middle school.

- Scheduling Information Link
- Link for the Virtual Parent Night on April 12th at 6pm
- Parent Night Video Recording (Available After Parent Night)
- Rising 6th Grade Parent Night Follow-Up Questions Link (Active After Parent Night)
- Rising 6th Grade Scheduling Video: Mrs. Schult will walk you through the process of registering for related arts classes online.
- Summer Tours: based on the current COVID-19 protocols in place at the time, there will be a spot for summer tour sign-ups if they are possible. (Active After Parent Night)

I hope you and your children find these resources useful. Each year, our intent is to communicate as best we can with our new parents and students to make you feel as comfortable as possible during the transition to Farragut Middle School. As you enjoy your summer, please know that our 6th Grade Principal Mrs. Schult (marie.schult@knoxschools.org), our 6th Grade Counselor Mrs. Cormack (katherine.cormack@knoxschools.org), and myself Mr. Edmonds (weston.edmonds@knoxschools.org) are always available to answer any questions.

I look forward to seeing everyone soon,

Weston Edmonds
Principal, Farragut Middle School
