

# FARRAGUT MIDDLE CHORAL

19-20  
FMS

The 6th grade chorus is a mixed group (boys and girls) that meets every day all year. We learn how to read rhythms and notes, sing with good choral tone, and learn harmony parts. There are two chorus concerts that the 6th grade chorus will participate on: a Winter Concert first semester and a Spring Concert second semester. We sing a wide variety of music throughout the year.

If you continue with chorus in later years, there may be opportunities to get further involved.

- Anchor Choir
- 8th Grade Fall Musical
- ETVA Choral Festival

We'll be in touch as we see what opportunities we can offer your students as they join us in the FMS Chorus Department!

We hope to have you participate in the Choral Department at Farragut Middle School!
