Reminders

1. Remind your child that the test is an opportunity to demonstrate his/her learning. We encourage students to always get a good night's rest!
2. Explain to your child the importance of using time wisely.
3. Encourage your child to stay focused on the test, even if other students finish early.
4. Remind your child to listen carefully to the instructions from the teacher and to read the directions and answer each question carefully

****Cell phones will be collected prior to testing. Cell phones and Smart Watches are not allowed in the testing area. Please remind your child of these expectations.**
