# **NJHS PACKETS**

8th graders: If you received an NJHS packet, please make sure to return that to Mrs. Whited by September 5th in room 112. Why join? NJHS allows you to participate in numerous service activities throughout the school year. Also, worried about it conflicting with Beta? We have made sure that the two will not overlap and we provide multiple opportunities to participate in service projects from both throughout the year. NJHS also serves as the natural transition for a service based club into high school since Halls High only has a NHS, not a Beta Club.
