Dear Parent/Guardian,

We are pleased to inform you that Holston Middle School will be implementing Community Eligibility Provision (CEP) in the National School Lunch and School Breakfast Programs for the 2019-2020 school year.

**What does this mean for your student(s) attending Holston Middle School?**

All students enrolled at schools participating in CEP are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2019-2020 school year. No further action is required of you. Your student(s) at Holston Middle School will be able to participate in these meal programs without having to pay a fee or submit an application for free or reduced priced meals.

Please note: we have several other schools participating in CEP. If you have students attending other schools, please check with their school to see if they participate in CEP.

If you have further questions, please contact us at 865-594-3640.

Sincerely,

Brett Foster

Executive Director, School Nutrition
