

Powell Middle School

Extra Curricular Activities

Panther Company

This is the advanced vocal ensemble for Powell Middle School. They rehearse either before or after school three days a week and perform concerts both at school and in the community. The group is open to 7th and 8th grade students. Students must audition.

Y-Teens

This is a service organization for girls only. In order to participate, students must earn 12 service hours doing both school and community service. Examples include school concession stand and Fantasy of Trees. For students who complete requirements of the club there is a formal dance in the spring. Y Teens help support and fund several important events at Powell Middle School.

Recycling

Responsible students join this club and are assigned a teacher to visit every week and empty the recycling bin. Club members also help with other recycling opportunities like recycling phone books and milk cartons in the cafeteria.

4-H

Students meet after school about 1 time each month. They participate in speech writing and poster making.

Student Council

Homerooms nominate 2 students to represent their homeroom and have different projects during the year to improve the school climate.

Teens for Christ

A Christian organization that is open to all interested students which will meet one morning a week

Drama

Group meets before school and rehearses for a Spring production. Tryouts are open to all grade levels and will be announced in the Fall.

Panther Promise – This is a program to improve the school climate. Every homeroom gets to elect 2 students who lead weekly activities.

The Panther Promise pledge:

- Today I will pursue my goals
- Today I will partner with others
- Today I will practice kindness
- Today I will pick a positive attitude

Yoke – meets in the evenings on Tuesdays

Watershed

The Watershed Club is a group of students that meet twice a month that work on different projects around the school and actively support the Powell Community and the Beaver Creek Watershed. Our primary concern is with the maintenance and up keep of the schools' two rain gardens.
