

## Attention, parents of 6th graders

**Before your child may enter 7th grade**, you must provide your school with a **new** Tennessee Certificate of Immunization proving your child has received Tdap and two doses of the varicella (chickenpox) vaccine.

You are urged to obtain the immunizations and/or the **new** certificate now, and turn it in to your school before the end of the 6th grade.

## BEAT THE RUSH!

Contact your medical provider or the Knox County Health Department at 215-5150 to see if your child has proof of:

- Tdap vaccine
- Two chickenpox vaccines **or** documentation of date of the disease
