

## Instructions to pair an account with your child:

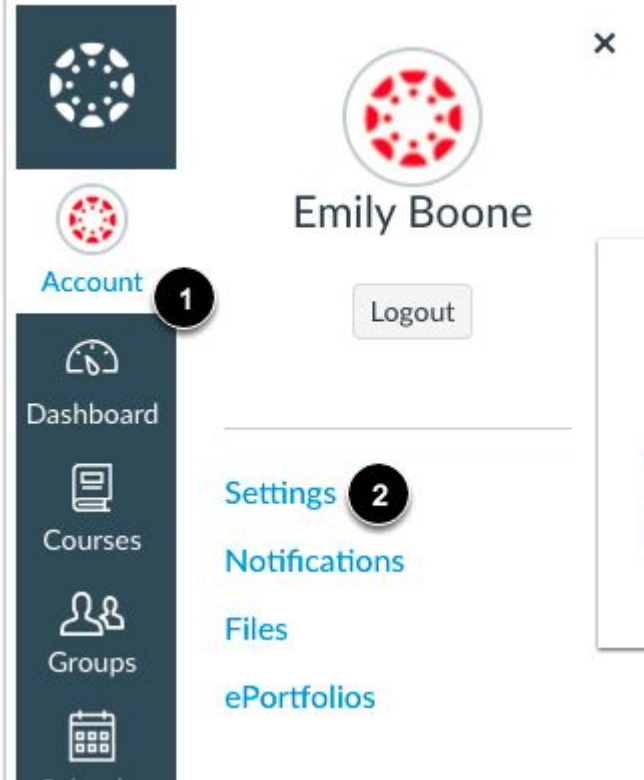

1. After logging into Canvas, **students** should go to the *Account* tab in the left sidebar and then click *Settings*.
2. There's a button to *Pair with an Observer*. The button generates a code for parents to pair their account to their child's.
3. **Parents**, go to the Knox Co. Canvas homepage ([www.knoxschools.instructure.com](http://www.knoxschools.instructure.com))
4. Use the link in the upper right corner *Parent of a Canvas user?*
5. Use the code generated in Step 2 to pair accounts.

1. Have your student login.

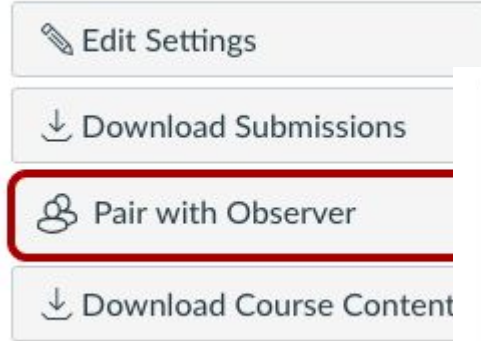

Follow your student on  
Canvas!

2. Click the *Pair with observer* button.

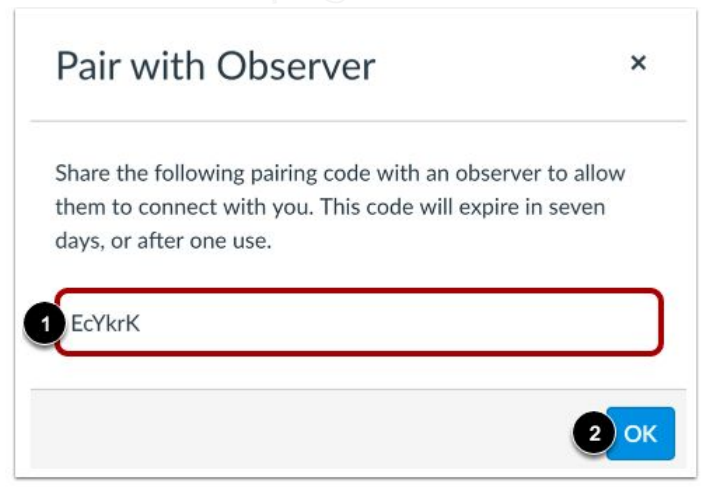

3. Parents, use the code to  
sign in from the Canvas  
homepage.

The image shows the Canvas user profile for Emily Boone. On the left is a dark blue sidebar with navigation icons and labels: Account (with a red circle containing the number 1), Dashboard, Courses, Groups, and a calendar icon. On the right, the user's name "Emily Boone" is displayed above a "Logout" button. Below the name are menu items: Settings (with a red circle containing the number 2), Notifications, Files, and ePortfolios. At the top right of the profile area is a close button (an 'x').

The image shows a settings menu with four options: "Edit Settings", "Download Submissions", "Pair with Observer" (highlighted with a red border), and "Download Course Content".

The image shows a "Pair with Observer" dialog box. It contains the text: "Share the following pairing code with an observer to allow them to connect with you. This code will expire in seven days, or after one use." Below the text is a text input field containing the code "EcYkrK" (with a red circle containing the number 1 next to it). At the bottom right is an "OK" button (with a red circle containing the number 2 next to it).
