

## AUSTIN EAST MAGNET HIGH SCHOOL-ACADEMIC RELEASE FORM

Request for change in academic rigor/course level of 2021-2022 recommendations

Academic data and performance records are used for placing students in the appropriate level of courses. Course placements are believed to provide students with the greatest opportunity for academic success; therefore, requests for changes are strongly discouraged. However, if a parent/guardian feels that such a change is needed, an academic override request must be completed.
