Is your child going to want to get their driver's permit this summer? If so, these are the steps you will need to follow:

- Your child will need to **complete the SF-1010 form and return it to the guidance office no later than 5/19/21.**
- The guidance office will then process the form and have it ready to **pick up on 5/21 and 5/24 at noon in the west mall commons area.**
- The form will be dated 5/25/21 and it will be valid until the first day of school.

The SF-1010 request form MUST be turned into guidance no later than 5/19/21.
