

Muse Knoxville: Volunteer & Apprenticeship Opportunities

What is it? Muse Knoxville is a children's Science, Technology, Engineering, Arts, & Math (STEAM) museum located in Chilhowee Park. Our programs in the museum, in schools across East Tennessee, & throughout Knoxville bring STEAM, the arts, health & wellness, & emergent literacy to life in the minds of children. We inspire & empower **ALL** children through transformative learning experiences through a variety of hands-on and inquiry-based exhibits and Outreach programs for children aged 6 months to 10 years old.
