About The Program:

The Muse Apprenticeship Program (MAP) is an internship program aimed at recruiting “MAPologists” who will experience behind-the-scenes workings of a children's museum while increasing confidence, developing leadership skills, and connecting curiosity to careers.

Muse MAPologists work with museum professionals and volunteers to fulfill the vision of the program -- ***All youth prepared for meaningful and gainful employment fueled by a passion for lifelong learning.***

With different pathways of focus -- **Marketing & Research, Business, Education, and STEAM (Science, Technology, Engineering, Art, & Mathematics)** --

MAPologists can use their own interests to guide them through the program each year. Each MAPologist will receive mentorship aligned with their pathway focus, and our goal is for each MAPologist to have a fun and meaningful experience that can continue year-to-year.

Muse for All

You belong, be yourself. We thrive that way.

We believe in actively creating a place of diversity, inclusion, and belonging among our staff, volunteers, the audiences that we serve, the programs we develop, and the community partners that we pursue.

We actively seek to recruit, hire, promote, and retain a diverse workforce—one that welcomes and engages people from every background. We value our staff members, volunteers, and board members and their individual backgrounds, which further our ability to serve and learn from the diverse families that enrich our community. We invite you to join us on our journey.

Expectations & Responsibilities

- You must be a 7th grade student or older in order to be accepted as a Muse Knoxville MAPologist.
- You must have a strong interest in working with children (ages 1-10) along with their caregivers in a high energy environment.
- You must have a positive attitude and attributes related to playfulness.
- You must be able to create and maintain a tidy workspace.
- You must commit to the entire internship length: September 2021-May 2022, with an option to extend into Summer 2022.

Successful Completion of Muse Apprenticeship Program:

- **7th-10th graders** must complete 5 hours of volunteer work per month.
- **Once you are 16 years old**, you are eligible for pay and must complete 13-16 hours of work per month.
- **Once you have completed high school**, you are also eligible for pay and must complete 32 hours of work per month.
- You must complete orientation and various training when scheduled.
- You must complete an end-of-year team project.
- You must receive a positive evaluation from Muse staff.

While this list includes the majority of your responsibilities as a MAPologist, it is by no means an exhaustive and complete listing of tasks you will be asked to do. Each Muse Team Member is expected to be a team player and to jump in where needed to help ensure an excellent experience for the people we serve.

Pathway Preference

Place a check mark next to any of these areas you would be interested in for your focus pathway for this program year:

- Marketing & Research:** Using data analytics to support our various grant-based programs and services as well as helping Muse increase brand awareness.
- Business:** General business connected to budgeting, finance, and accounting, project management, strategic planning, etc.
- Education:** Focus on students interested in following an educator track in one of the following areas: *Special Education, Early Childhood, STEAM (Science, Technology, Engineering, Art & Mathematics)*
- STEAM:** Focus on students interested in pursuing a STEAM (Science, Technology, Engineering, Art & Mathematics) career profession to help them develop soft skills and content awareness.

Required Trainings

We expect some participants might need to miss or reschedule training sessions for any given reason. Because orientation and other required training are so vital to your development as a MAPologist, it is important to attend them. However, we will offer you flexibility in the event that you cannot attend: you may **reschedule** up to two required sessions, and you may **miss** only one session in order to complete the apprenticeship successfully.

It is your responsibility to notify Corey Hodge, the Belonging Manager, when conflicts arise in your schedule. Please check the attached training schedules for specific times and dates.

KCS students in grades 6-12, you can use your Freedom Pass to travel to and from Muse Knoxville!

We are located on Route 31/Magnolia at Magnolia and N Beaman. Check out the schedules below to see specific drop off and pick up times along this KatBus route!
