2017 Federal Income Tax Information

Based on the information you provided, the Internal Revenue Service (IRS) located your income tax information. The IRS will securely transfer your tax information to the U.S. Department of Education (ED) to populate your FAFSA form.

For your protection, the IRS will not display your tax information and will further encrypt any tax information transferred to ED; therefore, ED is unable to display your tax information on your FAFSA form.

The data retrieved from your tax return is limited to the items listed below as you reported to the IRS:

Tax Year	Type of Return Filed	Untaxed Income
Name(s)	Adjusted Gross Income	Untaxed Income
Social Security Number	Income Earned from Work	Tax-exempt Income
Filing Status	Income Tax	IRA Decisions
IRS Exemptions	Education Credits	Status of Dependents

Refer to your tax records if you have a question about the values you reported.

 Print this page for your records before choosing an option below.

Transfer My Tax Information into the FAFSA Form 

The tax information provided to fafsa.gov will populate the answers to the appropriate FAFSA questions. After the FAFSA questions are populated, your IRS session will end, and you will receive your FAFSA form. Check this box if you are choosing to transfer your information.

Comments About Your Information

Learn about [federal tax benefits for education](#), including the *American Opportunity Tax Credit* (AOTC).

Based on the information we have on record for you, your EFC is 001702. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you (and your spouse).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit <https://StudentAid.gov> and select Types of Aid/Loans for more information.
