A Message from Mrs. Spikes

Oh my, our time together just flew by so quickly. It's funny how life comes full circle. So many of you were taught by my husband, when you were in middle school. This year, I had the extraordinary opportunity to see you all grown up with your own child. What involved, smart, and dedicated parents each of you have grown up to be. Others, this was our first-time meeting. Thank you for allowing the Fair Garden staff to be a part of your lives for this brief moment of precious time. I have enjoyed every moment of our year. I truly love every precious student and their uniqueness.

As you venture off to the next grade level, some of you still here at Fair Garden, and others going off to your new school, I hope you know you are loved by your Fair Garden family. Please continue to let your light shine, to lead the way to GREATNESS. Each of you will forever be a part of the Fair Garden family. Until we see each other again, keep your light on and let it glow as bright as the sun. Only together can we make a difference. Let's continue to ignite GREATNESS, as a forever representative of Fair Garden. Farewell, and have a sensational summer! 😊

Love,  
Mrs. Spikes

Remember, **ReadyRosie** is a fun way for you and your child to learn together at home and reinforce what we are learning at school. Thank you for partnering with Fair Garden and joining ReadyRosie. We had **114 families** that joined **ReadyRosie** this year. **WOW, FAIR GARDEN! I'm so PROUD.** 😊

# En-lightening News with Nurse Amanda

Following these simple tips can help avoid common warm weather illnesses and injuries so your family can enjoy a safe and fun summer!

## Sunburn

Wear a hat, seek shade under an umbrella or tree, and apply sunscreen regularly.

## Dehydration

Drink plenty of water. Avoid sugary drinks (sodas and sports drinks) and caffeine.

## Burns

Use caution around open flames like campfires and BBQs.

## Injuries

Always wear a helmet when riding a bike. Young children should stick to riding on sidewalks or in the driveway.

## Drowning

Supervise children closely at the swimming pool. Use appropriate floatation devices as needed.

**If your child has any medical issues, please let his or her new teacher know. If your child requires medication at school or has special dietary needs, a new doctor's order is required each year. These forms can be picked up at any Knox County School office. Pick up your forms early and be prepared for next year!**

I have enjoyed caring for our Fair Garden family this year! Congratulations to those of you who will be starting Kindergarten in the fall, and I am looking forward to seeing returning students again. I hope you all have a terrific and safe summer!
