

Hardin Valley Academy Athletic Council Membership Form

Hardin Valley Academy Athletic Council (HVAAC) is a non-profit advocacy group for all student athletes at HVA. We support, promote, and encourage all athletic programs through assisting with capital expenditures for equipment and facility purchases, maintenance, and upgrades. Our staff, coaches, and student athletes thank you for your interest in our organization.

We believe that it is our responsibility to provide our student athletes with the best experience possible in Hardin Valley. Our goal is to be the best athletic program in the state of Tennessee. We have the potential to make this vision a reality but it cannot be accomplished without the support of all Hardin Valley families whether your child is a current Hawk or future Hawk.
