

# Travel with the L&N STEM Academy to Washington DC!

**JOIN US AT THE 5TH FESTIVAL!**

WALTER E. WASHINGTON CONVENTION CENTER | WASHINGTON DC

**FESTIVAL  
EXPO**  
APRIL 7 & 8, 2018

PRESENTED BY:  
**LOCKHEED MARTIN**

## April 4-8, 2018

Attend the USA National Science and Engineering Festival, visit the Smithsonian Museums, National Gallery, National Monuments and so much more!

This is an affordable, event-filled trip limited to 48 participants.

Parents are welcome. However, the cost increases due to lower room occupancy.

**Celebrate Science**  
 at the 6<sup>th</sup> USA Science &  
 Engineering Festival, the  
 largest STEM education  
 event of its kind in the  
 United States!  
**Explore the Capitol**  
 by visiting National  
 Museums and Monuments.

*2018 USA National Science  
 & Engineering Festival &  
 Art Honor Society  
 Field Trip Form*

As the parent/guardian, I give my permission for my student to attend the field trip to **Washington D.C. on April 4-8, 2018** for the USA Science & Engineering Festival and to visit the Smithsonian Museums and monuments.

I agree that the Knox County School System, L&N STEM Academy, and its representatives or chaperones will not be financially responsible for any costs, injury, or accident which may occur while participating on this field trip. I, as a parent/guardian, will ensure that my child arrives at the school the day of the field trip and is picked up the day of return as needed. My child will be responsible for appropriately disposing of any trash brought onto the bus (NO small candies or messy foods allowed, and only bottles with caps.). I, as a parent/guardian, give permission to the L&N STEM Academy to release related photographs or videos of my child to local, state, and national newspapers or web publications. I, as a parent/guardian, will provide information regarding any health issues that may limit the activities of my student.

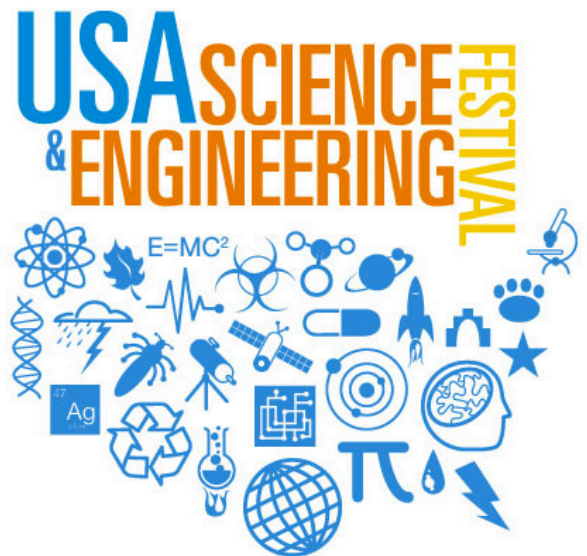

**Tentative Schedule:** Leave the L&N Campus @ 1pm on Wednesday, April 2. We will arrive at the Comfort Inn Arlington Boulevard, Falls Church, VA, late that evening. The hotel provides a free hot breakfast daily. We will be going to Washington DC daily. We should arrive back at the school by 7pm Sunday, April 8, 2017.

**Be in DC during the National Cherry Blossom Festival!** Explore the National Mall including the Smithsonian, National Museums of Air & Space, and Natural History, National Memorial and Monuments Tour;

**STEM:** The National Science & Engineering Festival including X-STEMposium and Sneak Peak Friday;

**Art:** The National Gallery of Art, MOCA, and the several of the Smithsonian art museums, such as the National Portrait Gallery, American Art and African Art Museums, Freer Gallery of Art, Hirshhorn Museum and Sculpture Garden, and Renwick Gallery.

**\$400 will cover transportation on a charter bus with wi-fi and bathroom available, four nights of lodging (with four students per room) with a hot breakfast, and incidentals like parking and activity fees. It does NOT include lunch and dinner. Please bring additional funds for snacks and personal shopping. Two or three to a room incurs larger fees and are on a space available basis. \$100 Deposit due by Friday, November 3, 2017. Deliver checks with this form to Mr. Powell at the front office.**

Thank you!

Feel free to e-mail me with any concerns or questions:  
[cheri.jorgenson@knoxschools.org](mailto:cheri.jorgenson@knoxschools.org)

**Please return the portion below with your deposit check as soon as possible to reserve your space.**

**I give my student permission to attend the Field Trip to Washington, DC April 4-8, 2018.**

Student Name \_\_\_\_\_

Student Cell Phone (if applicable) \_\_\_\_\_ Student Number \_\_\_\_\_
