MEMORANDUM TO POWELL HIGH SCHOOL

FROM: Dr. Chad Smith, Principal
RE: Student Check Outs After 3:00 PM
DATE: August 7, 2017

To The Powell High School Community

Your student's academic growth is of the utmost importance to the faculty and staff of Powell High School. To maximize your student's instructional time, Powell High School will not permit any student check-outs, nor allow students to leave after 3:00 pm. This time is valuable for students as they might miss directions for homework, class announcements, or instructional time. Additionally, the processing time for check-outs is often 15-20 minutes, depending on time/nature of check-out, so many of these check-outs are ineffective. Parents/Guardians will need to wait until the 3:30 bell has rung to pick-up their student.

Please note that no student check-outs will be allowed during state testing or the final exam schedule.

Thank you for your support of Powell High School,

Go Panthers!
