Big Orange Tour Bus Visits West!

"Rocky Top" rang through the halls of West September 30, 2015, when four of our senior classrooms got visits from The Big Orange Tour Bus. West was the first of seven local high schools visited by Chancellor Jimmy Cheek, Superintendent Jim MacIntyre, Smokey, and other representatives from UT to deliver early acceptance letters.

The Big Orange Tour Bus traveled to nine high schools across Tennessee delivering the good news to more than 2,000 students.

"As the state's largest public research university, 88 percent of our undergraduates come to us from big cities and small towns all across the state," Cheek said. "Visiting with students, principals and guidance counselors on their home turf helps us to stay in touch with their needs and boost our recruiting efforts."

UT's priority application and scholarship deadline is November 1. The regular deadline for high school students to apply is December 1. Info: admissions.utk.edu.

A MESSAGE FROM PTSO PRESIDENT SHULI MESA

Did you know...

...that the PTSO has funded the startup capital for new clubs, given mini-grants for teachers, organized project grad; a lock in at the Zone for our seniors, handed out the Teacher of the Year Awards, and given a free t-shirt to all incoming Freshman?

We also provide a scholarship to two Seniors, oversee the Baccalaureate, conquer Thank a Teacher Week, sell Spirit Wear and snacks in the Book Store, and we even help compile the Back to School Folders.

Did I mention that we supply the much needed support in the front office and library?

And when it comes to our faculty and staff...let's just say that the PTSO keeps them well fed and loved throughout the year! Just think; a happy teacher leads to a happy classroom.

And that is just scratching the surface of all that we do. But don't take my word for it... Come see for yourself; we meet the first Thursday of every month at 8:30 in the library.

Every meeting we are directly exposed to all things West. First, we hear straight from Mrs. Banner on what the school is working towards and how far we have come. With both a teacher and student representative we further learn how things are being handled on the ground level and how the students are being implicated. Each meeting we highlight a specialized area; such as a mini-concert performed by Studio West or a discussion on the upcoming changes to the SAT and the importance of test taking for our children. This is on top of spending the morning catching up with other moms and updating the group on where we stand on the committee levels.

I would like to thank you for continuing to make West the Best.

What is the West High School Foundation?

And Why Should I Support It?

A Message from David Eldridge, 2015-2016 President

Through your contributions, the West High School Foundation supports our students and faculty in an effort to give our students the best education possible. The minimum public education guarantees kids a *free* education; it does not guarantee a ***first-rate or even a good education***. And the reality is that our students, teachers, and our school need more resources to compete with the best schools in the region and the country and to give our kids the best support we can to thrive in the world they will inherit.

To give you an idea of what your contributions to the Foundation do for our school, in the last school year, your gifts provided:

- \$9,000 in "Above & Beyond Recognition Awards" to WHS Teachers**
- \$25,000 to help support the West PTSO to fund their many WHS projects**
- \$21,000 for faculty grants for supplies and equipment**
- \$6,000 in professional development, providing grants to our faculty to continue their education**
- \$12,000 in computer technology expenses**
- \$10,000 for educational enrichment programs**
- \$20,000 for faculty support**

In addition, this year, because of the increasing technology needs at the school, the Foundation has already committed:

\$27,500 for 120 Chromebooks and 4 charging stations

In the coming weeks, you will receive a letter providing more information about the school's needs and asking you to make a pledge to the Foundation. We will also be conducting a phone-a-thon the week of November 16. Please help our school be the best with a gift to the Foundation. You can send your gift to our address at P.O. Box 1032, Knoxville, TN 37939, or give on line at westhighfoundation.org. Thank you for your consideration and if you have any questions, please don't hesitate to drop me an email at david.eldridge@comcast.net.

JANUARY

I Seniors and families can begin filing the Free Application for Federal Student Aid (FAFSA) This can be done online at fafsa.ed.gov Complete it as soon as possible! In order to qualify for the Hope Lottery Scholarship, you must complete a FAFSA.

I Complete the CSS Profile (if required) at collegeboard.com.

I Remind your counselor if colleges to which you have applied require a mid-year report.

FEBRUARY

I Attend Knox County Schools Annual Career Day Feb. 23 to visit displays and talk to employers and college representatives.

APRIL

I You may have received notification of acceptance prior to April 15; however, this is the common final notification date for colleges.

I Make your final college choice after you receive your acceptances. Decline any offers of admission in writing so that colleges may admit other qualified candidates.

I If you are “wait listed” by a college you really want to attend, visit, call, and write the admissions office to make your interest clear. Ask how you can strengthen your application.

MAY

I May 1- this is the deadline for you to notify colleges of your final decision. Place only one deposit at a college. To submit more than one deposit at a college/university goes against accepted practice.

I Remember to accept financial aid offers and follow the instructions given.

I Make sure that you have submitted the senior survey including the final transcript request. The senior survey gives us information regarding scholarships you have received and which college you will be attending. We cannot announce your name at graduation as one who has received scholarships if you have not submitted the survey telling us what you have received...there is no other way for us to find out this information! We must send a final transcript to the school you are attending so it is critical that you complete the final transcript request.

HAPPY GRADUATION!

The writer, Naomi Iizuka, is an award-winning professor who teaches playwriting at the University of California, Santa Barbara.

WHS Band Debuts New Uniforms

The West High School Foundation, along with the WHS Band Parent Association and other private donors, joined in funding the purchase of new uniforms for the band for the 2015 marching season.

West last had new uniforms in 2007. "The new ones breathe easier, they're washable, newly innovative and up with the times," said Melissa Mack, head chaperone and West Band Booster chair.

Previous WHS band director Jeremey Lumpkin chose the new design "because he wanted something that would reflect what success looked like, and school pride, she said. Lumpkin wanted new uniforms to be the final stamp he left on the band, and wanted Blake Garcia, current band director, "to come in on a good foot."
