

#### **Knox Schools 2020**

## Goal 4: Embrace a Culture of Excellence

# Our Four Goals Excellence for Every Child

#### **Our Strategy – Four Objectives**

## Collectively Focus on Student Learning

Collectively Focus on Student Learning

Become a Coherent Learning Organization

Embrace a Culture of Excellence

Ensure Administrative and Organizational Excellence

## Collectively Focus on Student Learning

What does that mean? To achieve our ambitious goal of Excellence for Every Child, we're going to need the support of our entire community; this needs to be a team effort.

#### Collectively Focus on Student Learning

What does that mean? To achieve our ambitious goal of Excellence for Every Child, we're going to need the support of our entire community; this needs to be a team effort.

#### What are some ways KCS could achieve this?

- Ensure that all students have a safe, healthy, inviting learning environment
- Explicitly define and hold high expectations for all students and staff
- Consistently provide our stakeholders with the bigger picture and provide opportunities for them to contribute

## Become a Coherent Learning Organization

Collectively Focus on Student Learning

Become a Coherent Learning Organization

Embrace a Culture of Excellence

Ensure Administrative and Organizational Excellence

## Become a Coherent Learning Organization

What does that mean? As an organization, we need to continually reflect and assess our progress by soliciting feedback from our stakeholders

## Become a Coherent Learning Organization

What does that mean? As an organization, we need to continually reflect and assess our progress by soliciting feedback from our stakeholders

#### What are some ways KCS could achieve this?

- Develop and implement feedback loops throughout the organization
- Evaluate the effectiveness of our programs and initiatives so that we appropriately course-correct
- Ensure that all employees are receiving regular feedback so they can continue to learn and grow professionally

## **Ensure Administrative and Organizational Excellence**

Collectively Focus on Student Learning

Become a Coherent Learning Organization

**Embrace a Culture of Excellence** 

Ensure Administrative and Organizational Excellence

## **Ensure Administrative and Organizational Excellence**

What does that mean? Excellence starts with our district's leaders – both at schools and in the central office.

## **Ensure Administrative and Organizational Excellence**

What does that mean? Excellence starts with our district's leaders – both at schools and in the central office.

#### What are some ways KCS could achieve this?

- Continue to allocate our resources to maximize student learning
- Define, model, and ensure high levels of professionalism and customer service throughout our organization
- Continue to ensure individual, collective and mutual accountability for student learning

#### **Celebrate Success**

Collectively Focus on Student Learning

Become a Coherent Learning Organization
