

## P-EBT Program | Frequently Asked Questions

### **What benefit is provided under the Pandemic Electronic Benefit Transfer (P-EBT) program?**

Families can receive \$5.70 per child on their EBT card for each day that child qualifies for the program. These funds are designed to replace school meals that were missed in March, April and May due to COVID-19 school closures

### **Who is eligible for the P-EBT program?**

Parents who already receive Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) benefits began receiving benefits on their current EBT card beginning Friday, June 12.

Parents who do not receive SNAP benefits are still eligible if:

- Their children attend a Community Eligibility Provision school (see full list below\*), or
- Their children qualify for free or reduced-price school meals.

Parents who do not receive SNAP benefits need to apply for P-EBT at [this link](#). The application period will end on August 14, 2020, at 5:30 p.m. Eastern time.

### **Am I eligible for P-EBT benefits if I received free meals from KCS or Knox County CAC?**

Yes. Benefits from this program are in addition to the meals provided during March, April and May. Families can still receive grab-and-go meals or emergency food at COVID-19 emergency feeding sites this summer, even if they receive P-EBT benefits.

### **Can someone help me apply for P-EBT?**

Yes. Individuals who need assistance completing their P-EBT application or have general questions about the program are encouraged to call the Tennessee Department of Human Services hotline at 1-833-496-0661 and select option 3.
