

Two Blues STEM CAMP

(with a Health Science Day)

HVA and FHS team up to jump start your child's love of math and science !

Come and explore science, technology, engineering, math, and health science in a super fun hands-on experience you'll never forget. **Ignite that spark in your child for 21st century problem solving and teamwork skills.**

Rising 2nd – rising 7th grade
2015 Camp @ Farragut High
2016 Camp @ HVA

Daily Sessions at a Glance

Phone: 865-539-5427 (HVA)

What will your child do?

Science Day

Special Character—Marie Curie

-Learn about biology, chemistry, and ecology!

Math Day

Special Character— Albert Einstein

-Where do we see math in everyday life? Learning math through games, fun, and manipulatives.

Technology Day

Special character—Isaac Newton

-Get techy with iPads, iPods, computers, and calculators. Learn tech ethics.

Engineering Day

Special Character— Galilei Galileo

- Make stuff, break stuff, and take stuff apart. Learn about robots!

Health Science Day

Special Character— Florence Nightingale

-Everything from health, nutrition, first aid, and microscopes to forensics and anatomy!

Don't let summer pass you by without the chance to see how cool science, technology, engineering and math really are!
