

INTERNET AT HOME

Families, Knox County Schools will become a 1:1 school district beginning in the 2020-2021 school year, providing a Chromebook to every student. Students will receive and use their devices at school and home. In order for your student to use their laptop provided by KCS, your support and **ACTION** are needed to ensure that your home has internet by the start of school in August.

ACTION FOR FAMILIES: If you need to get home internet service, a list of providers with standard and low-cost options are listed below. 1) Please contact one or more of the internet providers to check availability. 2) Please subscribe and get set up. One or more providers are available in most areas of Knox County.
