

October World Language 4th Tuesday

snacks provided include apples and caramel, cheese and crackers, and a sweet treat

General Session

4:30- 5:20

everyone

This session will provide important updates from the department including new expanded district rubrics. I am excited to announce a book study for our department! Information about the book study will be addressed in the general session. Also, please bring recent student work samples from ANY learning task showing a range of proficiency: emerging, proficient, and advanced along with the assignment so that we can break into groups and discuss proficiency in relation to the new rubrics. We will discuss the new format for 4th Tuesdays beginning in January for the spring semester.
