

Welcome to Kindergarten!

Kindergarten Round Up:

If you know of any student that is zoned for Ball Camp Elementary School, please pass on this information about our plans for registration this spring! Please make plans to drop by with your child between 3:30-5:30 on Tuesday, April 12th! We will be collecting packets, making copies, and answering any questions outside and conducting tours for groups of students and parents every 15-20 minutes. This will give parents and students the opportunity to see what a Ball Camp Kindergarten classroom looks like! Our kindergarten team of teachers will be on hand to meet prospective new #showdogs! Please pass this information on to families that you know that live in the Ball Camp school zone and have a rising kindergarten student! *Masks must be worn by all visitors inside the building*

*Kindergarten registration packets may be picked up in the office during office hours beginning on Monday, March 28th. They will also be available in a tub in front of the school for pickup after hours.

* Required documentation includes: completed enrollment packet, birth certificate, immunization record, proof of physical (within the last year) and proof of residence. We will be ready to make copies of your original documents if necessary. If you have any questions, please call the front office and someone will assist you. If you are unable to attend Kindergarten Round Up on April 12th, please drop off your completed registration packet in the front office during the hours of 8:00-2:00 M-F.
