

Virtual Learning Textbook Distribution

When is VL Textbook Distribution?

HVMS will distribute textbooks, yearbooks and Chromebooks (if not already picked up) to students on the following dates:

August 19 from 9 a.m.-3 p.m.

August 20 from 4:30-6:30pm

NEW: August 24 from 1-3 (You do not have to choose a time slot; please stop by anytime between 1-3.)

For in person students, textbooks will be given out during the first week of school. If an in person student did not already pick up a Chromebook, they will receive a device on the first day of school.

How will distribution work?

- Please park in the parking lot at the front of the school.
- We are asking parents to wait in their cars in order to limit the number of people in the building.
- Students will enter the building on their own through the front doors.
- Students will exit the building through the bus lane doors and will meet their parents in the parking lot.

Virtual learners who have not picked up a device

- You must complete the device agreement {REQUIRED}: [Link](#)
- You may sign-up for the {Optional} device insurance (\$30/year):
