### **Welcome 6th Graders**

This will be the first half-day for our 6th grade in-person learners attending Gresham Middle School. Upon arrival, students will enter through the front doors and go through temperature checks. Only students are permitted to attend and students must wear a mask. Social distancing practices will be in place. Students will move to homeroom, receive important information for the school year, and meet some of their teachers. We look forward to meeting our new Gladiators.

**Regular bus transportation will be provided for students**
