

Between 7:30-8:30am and 3:00-4:00pm, only busses are permitted in the upper drive (Main Entrance). This is marked with traffic signs. Parents are to use the back drive off Dahlia and around the lower drive as the ONLY acceptable means to drop off and pick up students. Also, please remember that there is NO parking, dropping off or picking up of students in the small parking lot off Gresham Road. If your child has special needs that require individual consideration, please contact a school administrator or your child's teacher. The traffic plan is in place to ensure the safety of each child.

*NOTE: To ensure safe dismissal, we ask that students are NOT picked up for early dismissal after 2:45pm each day.*
