

Use a phone, computer, or tablet to visit the following links to fill out the required Technology Device Agreement as well as purchase the optional Chromebook insurance.

## 1. Technology Device Agreement (REQUIRED)

This agreement describes acceptable use of school devices and KCS internet, and allows your student to take home their Chromebook if required.

## 2. Device Insurance (OPTIONAL)

This \$20 insurance usually covers the cost of repair or replacement in the event of damage or total loss. It does not cover intentional damage repair or charger replacement. (Police reports must be filed for lost or stolen Chromebooks.)
