

Dear Parents/Guardians,

Knox County Schools is very excited to offer a device to all students in grades K-12 for the 2020-2021 school year. There is no cost to the family, but parents may choose to pay for optional insurance to cover accidental damage.

If you have multiple children in Knox County Schools, you received this email for each student and you should complete this process for each one.

In order to prepare for the upcoming school year, please review the following information:

Your student's ID number is: S#####

1. Click below to indicate permission/registration for your student to check out a device to take home. Further instructions for obtaining the device will come from your student's school.

3. Information about obtaining internet at home will be available Monday, July 20 and will be sent in a separate email and available on the KCS website.

Sincerely,  
Gail S. Byard  
Chief Technology Officer  
Knox County Schools
