WHAT IS MICROSOFT TEAMS?

MICROSOFT TEAMS

Microsoft Teams for Education brings teachers and students together through video meetings in a secure learning environment. With Teams, families can help their students connect with their teachers and learn from anywhere. Use the information below to connect your students to your virtual classroom.

HOW WILL I ACCESS/DOWNLOAD THE APP?

You can access Teams from inside the Office 365 Outlook Website through KCS

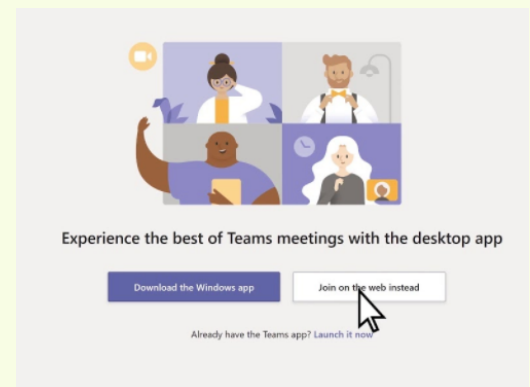

To download for a phone, please visit the iOS App Store or Google Play Store. You will need to add your Knox County Schools Credentials.

To download to a computer: For a Mac, please visit KCS Self-Service for installation. For a Windows machine, you should be able to download the app directly to your machine.

HOW DO I SIGN INTO TEAMS?

When you login from the Teams app, you will be prompted to sign in with your KCS email credentials.

If joining from a meeting link, you will be given the choice of opening the Teams app or continuing in the Web Browser. The Teams app is most desired, as it has more features than the web version.

JOINING A MEETING

- Join the meeting with your video on and audio off.
- Click the [Join Now](#) button.
- You should be able to join the meeting. (Note: If the presenter has the lobby turned on, you may have to be admitted to a meeting).
