Frequently Asked Questions

How do I know if my child is scheduled to test?

If your child is currently enrolled in English I, English 2, US History, Biology, Algebra I, Algebra 2, or Geometry your child has a state test.

Does my child have to come into the building to test?

The tests are paper/pencil so students have to be physically present in the building to test.

What safety measures are in place for virtual students coming into the building?

Virtual students will not be with in-person students. All proctors and students will wear a mask during testing. Desks are cleaned after each testing session.

My child doesn't have transportation to school, how do they get to school for testing?

Virtual students are allowed to ride the bus and stay for the entire school day. The student should bring his/her chromebook and headphones and plan to attend their virtual classes from school.

How does my child know where to report for testing?

In person students will test in their regular classrooms. Teachers of virtual classes will communicate to their students the testing location.

Are virtual students allowed to leave as soon as they are done testing?

If virtual students have transportation, they can leave when the testing session is complete.

What should my child do if they missed all or part of a test?

There are four built in make up days. If a student missed all or part of a test, they should report to the library at 8:30 on the next make up day after they return to school. (See schedule previous page).
