The Director of Schools shall make annual reports concerning conditions of efficiency and needs of the school system. Included in the reports shall be information regarding employment of instructional staff as follows:

1. Number of applicants employed;
2. Procedures being used to ensure that the best applicants are being selected;
3. Evidence that all teachers were evaluated;
4. Number of non-tenured and tenured teachers;
5. Number of teachers non-renewed;
6. Summary and explanation of how the Knox County Schools is meeting the state and national requirements of other mandated accountability measures.

Board members shall be made aware of all reports prepared by the Director of Schools' office for transmittal to the local legislative body, the State Department of Education, or any federal agency.
