The Board of Education shall approve the name of all the Knox County Schools facilities or portions of facilities.

The naming of schools or portions of a facility shall conform to the following conventions:

1. A high school will generally be named according to the area in which the building is located, except when such naming would not be applicable or appropriate.
2. Discrete portions of school facilities such as laboratories, auditoriums, libraries, gymnasiums, stadiums, athletic facilities, or individual buildings may be named with the approval of the Board of Education.

While this policy shall not prohibit the naming of school facilities for individuals or organizations associated with not-for-profit, for-profit, governmental, or educational entities, in no case shall such naming promote the commercial or monetary interests of said individual or organization.
