**GENERAL**

Students in grades seven through twelve (7-12) may enroll in available advanced courses including, but not limited to, advanced English language arts, mathematics, social studies, science, and world language courses.<sup>1</sup>

Guidance for course placement should not serve to limit enrollment in advanced courses, academic programs, or career-technical pathways. Students are encouraged to challenge themselves academically and engage in the most rigorous curricular offerings that are available.

In instances where multiple advanced course options exist, students will be encouraged to enroll in the one most aligned to their postsecondary aspirations.

Knox County Schools supports an inclusive model for advanced academics.

Final grades for the advanced academic programs will align with State Board Policy 3.301 Uniform Grading.

To enroll in these courses, students shall meet the following standards:

1. Honors Courses: A grade of 80 or higher and required statewide assessment scores of on-track or mastery in the most recent preceding academic course.
2. Dual Credit Courses: Students must meet the eligibility requirements of the higher education provider.
3. Dual Enrollment: Students must meet the eligibility requirements of the higher education provider.
4. Advanced Placement: A grade of 80 or higher and required statewide assessment scores of on-track or mastery in the most recent preceding academic course.
5. Cambridge International: A grade of 80 or higher and required statewide assessment scores of on-track or mastery in the most recent preceding academic course.
6. International Baccalaureate: A grade of 80 or higher and required statewide assessment scores of on-track or mastery in the most recent preceding academic course.

The district shall have the authority to consider additional factors, such as, but not limited to, local district assessments, student interest, attendance, post-graduation plans, teacher recommendations, and parent requests for the enrollment in advanced courses to fit the needs of the students.

**NOTIFICATION<sup>1</sup>**

Parent(s)/guardian(s) shall be provided notification of a student’s eligibility to enroll in advanced courses. The notification shall state that a student will remain enrolled in the course unless the parent/guardian submits a timely written request for removal. The Director of Schools shall determine the deadline to submit the request for removal.

Students may also be removed from an advanced course if the student’s teacher, counselor, and administrator determine that the student should be removed based on performance after thirty (30) days of instruction and the principal approves the request to remove the student. The parent or guardian should be notified of concerns as soon as they are apparent, and consulted regarding any decision to change the student’s schedule.

**COLLEGE LEVEL COURSES<sup>2</sup>**

In accordance with Knox County Board of Education Policy I-121, qualified high school students who are in good standing may earn high-school credit by enrolling in college-level courses (1) through a Board-approved dual enrollment program on the high-school campus or (2) through classes at an institution of higher education, which are conducted at times that do not conflict with the enrollee’s regular course schedule. Written approval by the principal, or designee, shall be required for such concurrent enrollment.

Grades earned in such college level courses may be used to determine class rank and grade point average, provided high-school credit is awarded for the course.

The Board shall not be responsible for transportation or for any payment of college tuition or fees.
