Beginning to advanced Career and Technical skill training is available for upgrading or developing new skills for adults ages 18 and older.

ADULT APPRENTICESHIP EDUCATION

The Knox County Adult Apprenticeship program is a contracted partnership with local business and industry to provide a combination of one-the-job training (OJT) and related classroom instruction under the supervision of a journey-level craft person or trade professional in which workers learn the practical and theoretical aspects of a highly skilled occupation.

After completing an apprenticeship program, the worker’s journey-level status provides an additional benefit of nationwide mobility at journey level scale.
