And here is the code number:

10026120

Deadline to order is March 16, 2020.

Our 5<sup>th</sup> grade students will be visiting Gresham Middle school on March the 27<sup>th</sup>. This will be a time for our students to tour the school and meet some other their teachers for net year. We are so excited for our Pepcats transitioning to Gladiators!

On March 28th, our PTO Grounds Clean-Up volunteers ask for your help that morning – One task is raking up the scattered rubber mulch and placing it back under the structures' impact areas – we need you! Join us for a Saturday morning of fun and hard work as Pepcats clean up the campus.

Our **Title 1 Family STEM Night** (formerly Math and Science Night) will take place March 2, 2020 from 5 to 7. You and your child will love spending time together learning about math and science. This annual event is planned by teachers and guaranteed to please our Pepcats! Watch for our flyer, and please make plans to come! Each grade level will have one hour in their classrooms and one hour with the MUSE. Classroom activities will all focus on numeracy fluency.

We have something planned everyday next week for Dr. Seuss week. Please see the second page of this newsletter for additional information.

**"You're on your own. And you know what you know. And you're the one who'll decide where to go". – Dr. Seuss**
