

RED NATION ROBOTICS

FRC TEAM #4576

TEAM COMMUNICATION

“...to create a world where science and technology are celebrated...where young people dream of becoming science and technology heroes...”

Dean Kamen, Founder

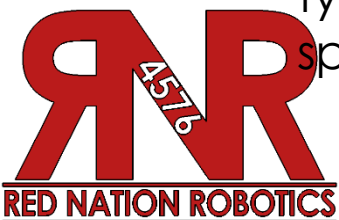

Available online and mobile

We require all members to create Gmail account, using a specific naming convention:

[Firstinitial][Lastname].4576@gmail.com

**Please note that the brackets [] are only placeholders. Do not type them when creating your email address. Also, do not use spaces. Example John Smith: *jsmith.4576@gmail.com*

“...to create a world where science and technology are celebrated...where young people dream of becoming science and technology heroes...”

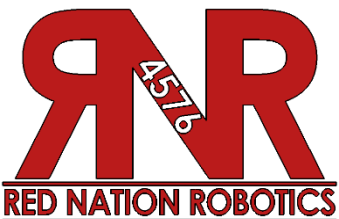

Dean Kamen, Founder

Available online and mobile

All team activities, deadlines, and events are posted on our Google calendar. It is highly recommended that you add this calendar to your personal or team Google account. [RNR Calendar](#)

“...to create a world where science and technology are celebrated...where young people dream of becoming science and technology heroes...”

Dean Kamen, Founder

Available for email and mobile*

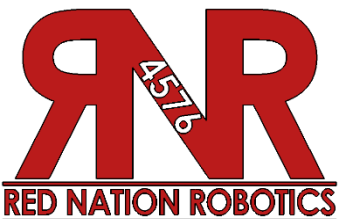

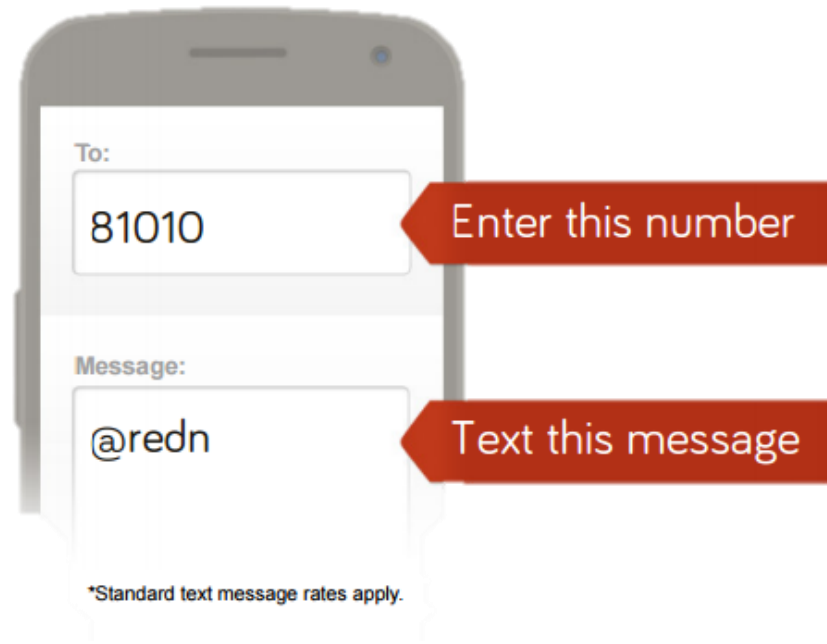

*No app is required as the systems uses SMS, but it is available.

We require all members and parents (at least one) to signup for Remind. Need to know info and reminders are sent this way.

To receive messages via text, text **@redn** to **81010**. You can opt-out of messages at anytime by replying, 'unsubscribe @redn'.

Trouble using 81010? Try texting **@redn** to **(567) 455-7631** instead.

“...to create a world where science and technology are celebrated...where young people dream of becoming science and technology heroes...”

Dean Kamen, Founder

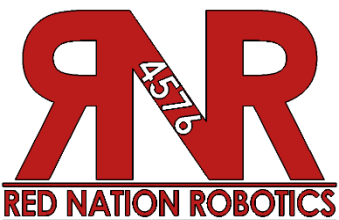

Available for desktop and mobile

We strongly recommend that all members and parents (at least one) to request to join slack*. Need to know info and reminders are reiterated here, and it serves as a discussion and directives forum for sub-teams. The parent channel is a discussion forum for parents and mentors.

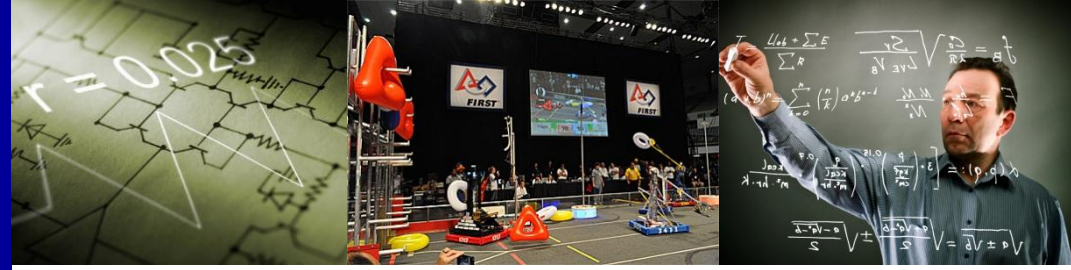

To request an account: email morgan.everett@knoxschools.org once you have created your new Gmail account (members only, parents can use an existing email account). Please use the subject *add me to Slack*; failure to use this subject will result in the bot not adding you. Please include your name in the email, and signify Parent or Member. Once your request is added, you will receive an email from Slack with instructions on creating your account.

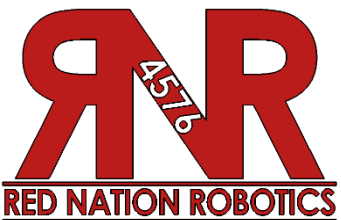

*You should download the app. When asked for a domain when signing in, it is **rnr4576**

“...to create a world where science and technology are celebrated....where young people dream of becoming science and technology heroes...”

Dean Kamen, Founder

Etiquette: Business only is to be discussed in the #general channel. The #random channel is for banter or tomfoolery. Parents will be added to #general and #parents (this prevents you from being notified of unnecessary chat). Students will be added to a sub-team once they decide which one they are working with.

“...to create a world where science and technology are celebrated...where young people dream of becoming science and technology heroes...”

Dean Kamen, Founder

Available online and mobile

Trello

We require all members to create a Trello account with your new team email address. Trello is used as a digital project management tool. Members will be required to use Trello for all activities on their subteam.
