Make-Up Work Policy/Late Work Policy

Make-up work is very important for the student who has been absent. I use the policy concerning excused and unexcused absences in the agenda established by Knox County; however, if extra time is needed for make-up work due to an extended absence, I will be happy to provide extra time. Always remember, it is the responsibility of the student to contact me about missing work.

Religion in the Curriculum

Knox County Board policy states:

The Board affirms that it is essential that the teaching about religion—and not of a religion be conducted in a factual, objective and respectful manner in accordance with the following:

1. Music, art, literature, or drama with a religious theme or basis are permitted as part of the curriculum for school-sponsored activities and programs provided it is essential to the learning experience in the various fields of study and is presented objectively;

2. The emphasis on religious themes in the arts, literature and history shall be only as extensive as necessary for a balanced and comprehensive study of these areas. Such studies shall never foster any particular religious tenets or demean any religious beliefs; and
3. Student-initiated expressions to questions or assignments which reflect their beliefs or non-beliefs about a religious theme shall be accommodated. For example, students are free to express religious belief or non-belief in compositions, art forms, music, speech and debate.

* If you do not approve of a specific resource listed in this syllabus, please make your request to me in writing and an alternative assignment and/or materials will be provided. The request should include your name, the child's name, the specific activity/materials in which you do not want your child to participate or to which you do not want them exposed, and the nature of your objection.

Library

Students will go to the GMS School Library on a regular basis to check out books. Additionally, I have a classroom library available for student use. Most of the class library books are donations; if you do not approve of any materials your student is reading, please contact me immediately.

Plagiarism

When presenting someone else's ideas, research, or opinions, even if it has been rephrased, one must properly cite the original author to avoid plagiarism (Harbrace Handbook, 15th edition). Plagiarism is a form of stealing and academic fraud. Students found guilty of plagiarism will engage in an academic conference with parents/guardians and the teacher. Students will be required to redo the assignment within a specified time period.
